PRESIDENT'S THANKS

We, as a Chamber, have had one of our very best years, if not the best. And that is thanks to the many hard working people in our office, on our Board of Directors, our numerous committees, and our members!

First and foremost are our Office Manager, Pat Morelli, with her staff of Assistants and Volunteers, Dee Gutmann, Joyce Partington, Pat Dearmin, Janet Bergman and President Elect, Walt Smith. Without these wonderful people, our office would not run in the efficient manner it currently does.

When you talk about a participatory Board of Directors, that is exactly what this Chamber is blessed with. They roll up their sleeves the first chance to help. And therefore I must again thank Dana Eisiminlger, Pat Dearmin, our Secretary, John Essman, our Treasurer, Tony Geraldi, Head Ambassador, Will Brodt, our VP of Public Relations, Laura Buhner, Brian Molsberry, Stephanie Munson, Bran Pighin, Sue Sloat, and Doug Williams! They never back down from a challenge.

And we would be remiss if we failed to mention volunteers Kathleen Palmer, Lisa Cannon and Daryl Anderson along with the many others who serve on committees or volunteer in one way or another.

On behalf of the Mark West Area Chamber of Commerce, and as President, THANK YOU, ALL very much!

Sincerely, Jim Bajgrowicz, President

AUTOBAHN HOSTS A VERY ENJOYABLE SOCIAL FOR OUR MEMBERS

Our after-hour's business social for May was hosted by Max McDonald's AutoBahn Auto Detailing located on Airway Drive. Very pleasant weather along with plenty of delicious appetizers and beverages provided a great setting for our members to promote their businesses. Chamber Ambassador Kimberlee Anderson from Assets Insurance & Investments served as Master of Ceremonies for the evening and introduced Max to the many guests in attendance.

Max told everyone about AutoBahn and explained that from the time he started his business in 1981 he has seen many competitors come and go and attributes his success and longevity to consistently offering the best service for a very reasonable price. Max said AutoBahn specializes in custom auto detailing including exterior, interior, engine detailing, odor control treatment, dent removal, paint touch up, and windscreen repair and replacement.

AUTOBAHN HOSTS A VERY ENJOYABLE SOCIAL FOR OUR MEMBERS

continued from page 2

All services performed on anything from cars, trucks, boats, motor homes and big rigs are backed by the AutoBahn 100% guarantee. Max said that he just recently started a limousine service. Max said that no matter if you're in need of an auto detailing or limousine service, he takes pride in your ride.

A new member plaque was presented to Elaine Holtz and Ken Norton from Pre-Paid Legal Services. Elaine and Ken talked about their business and explained what Pre-Paid Legal Services offers in the way of affordable and quality legal representation and services.

Chamber Ambassador Kathleen Palmer from Sonoma Connection reminded everyone of many upcoming Chamber activities, including our always fun and exciting annual dinner which takes place July 10th at Vintner's Inn.

Our 50/50 raffle of \$70.00 was won by our host Mr. Max McDonald from AutoBahn. Congratulations Max! The business drawn from the Pot of Gold was Hunter Prestige Properties. Unfortunately for Julie Hunter or anyone at Hunter Prestige Properties they were unable to have a representative attend the social which means \$20.00 will be added to next month's Pot of Gold drawing for a total amount of \$80.00!

Besides a complete automotive detailing donated by AutoBahn, prizes for our business card drawing were donated by Lace Rosalie Moore, Sonoma County Airport Express, and Dian and Tom Nunes from TD & Associates who donated two prizes that evening. Winners drawn were Shawna DeGrange from Cloverleaf Ranch, Jerry Hankins from Hankins Travel, Walt Smith from Just Transportation, Carol Goshorn from Events Unlimited and Kathleen Palmer from Sonoma Connection.

Congratulations to our winners and thank you to our donating businesses and of course a truly big thank you to Max and the staff at AutoBahn for treating us to such a nice social.

20TH ANNUAL WINE COUNTRY HARVEST FAIRE & BUSINESS SHOWCASE THURSDAY, OCTOBER 15 4:00 – 8:00PM

Download a Tradeshow Application: www.markwest.org

Getting Ready for the 20th Annual Wine Country Harvest Fair & Business Showcase is both exciting and challenging. Here are some things to start looking at to help you have a successful , less stressful showcase. First of all remember this is going to be Fun and an opportunity to provide information about your products and services along with an opportunity for our community to get to know you and your business.

First things first, What's your budget? Included in the budget should be costs for staffing, literature and any special prizes you might want to give away. Be sure to include cost for a Fish Bowl, to collect business cards. This is important as it lets you know who stopped by and who you might follow up with. It is amazing how many know about that idea yet forget to bring the bowl.

Planning the booth design and signage sometimes takes more effort and is important to start exploring early. Are you going to offer special promotions and giveaways? How about Product demonstrations? High-tech displays and multimedia presentations are eye-catching but sometimes expensive and they may not be as cost-effective as a couple of well-trained staffers armed with fact-filled sales brochures, a useful give-away item and a smile.

Remember your toolbox, have some fun in getting it together. This is a great project to include your staff. This gives them a sense of excitement about participating and attending.

I know a lot depends on how much money you have to spend however I know from past experience the earlier you begin to plan the less costly it is. I don't have to tell you how much extra it costs when you wait until the last minute. Next let's talk about presentations. Also if you have any questions or need additional support give the Chamber office a call, they are happy to help.
