PRESIDENT'S MESSAGE

It has certainly been a busy spring for the Mark West Area Chamber of Commerce and there is more right around the corner! In the first few weeks of May, the regular Chamber social, an event to recognize small businesses, and the Rose Parade all occurred. Later this month, we will hear from Jon Stout, manager of the Charles M. Schulz-Sonoma County Airport at a luncheon event. Right behind that will be the June social and the anniversary event for Molsberry Markets and Exchange Bank.

Election Day is also right around the corner and a reminder to vote is always in order. Locally, there are five individuals competing for the seat on the Board of Supervisors currently held by Supervisor Mike McGuire. The Chamber does not endorse candidates, but does recognize that the relationship between the Chamber and the Fourth District Supervisor is very important. Personally, I believe the commitment to run for office is itself an admirable act and that it is our responsibility to participate by being informed voters.

The Chamber is just completing its annual election process. Since there were not more candidates than positions an actual vote is not necessary. Two of our dedicated board members will be completing their terms and leaving the board. Past President Shawna DeGrange will be leaving the board with the intention of supporting the Chamber as a member. John Essman will also be leaving the board after having served as Treasurer for the past six years. He also intends to stay involved in Chamber activities. This is a reminder for me to say thank you to all of the board members for serving with loyal dedication.

As I mentioned earlier, we participated in an event hosted by the Santa Rosa Chamber to honor Small Business Week. Sonoma County Airport Express and general manager Tony Geraldi were recognized on behalf of the Mark West Area Chamber. Tony, along with Miss Sonoma County, left a very favorable impression with the guest speaker at the event, Lieutenant Governor Gavin Newsom.

I have been pleased to hear about activities occurring to continue the legacy of the late Sue Hufford of the Mark West Union School District. Look for some additional opportunities to support the music program at the upcoming anniversary celebration hosted by Molsberry Markets and Exchange Bank.

We are still in need of additional office volunteers if you know of anyone with some basic office skills who would be interested in assisting. Our Chamber continues to function because of the many volunteers who step up to fill a variety of roles.

Your continued support of the Mark West Area Chamber of Commerce is appreciated!

Please try to do business with other chamber members whenever possible!

APRIL SOCIAL AT RIGHT AT HOME

Robert and Carol Brohmer were our hosts for the April Social. It was a lovely evening, filling up their offices and the hallway where we had plenty of treats and beverages.

Their Sonoma County Right at Home office is a locally owned and operated adult/senior home care agency. Their mission is to improve the quality of life for those they serve, by providing the highest quality in-home caregivers.

Carol is a registered nurse and a certified hospice volunteer. She grew up with a passion for helping people and took that passion into nursing. She worked in surgery for many years but found that she really loved working with seniors.

Robert has a BA in theology and a Masters in Marriage and Family Therapy. He has an extensive background working with people of all ages and needs. He has a lot of experience with the Mental Health and Developmental Disabilities Foster Care programs. These included in-home support, much like what they provide now. His goal then, as it is now, is keeping people in the most home-like setting possible.

Their staff also includes David Gustafson, the Community Liaison, Mellissa Shelton the office Manager, and Ramona Sandoval, the scheduler. Stacy Vermeulen and another staff RN were not there as they had another event to attend at one of the Assisted living facilities the Brohmers work with.

Robert and Carol said, "We would like to thank the Chamber for letting us host the Social and to all those who came. Mark West is a great group and we look forward to being able to spend more time with the group in future events. We are also looking forward to seeing everyone at the Harvest Fair as well."

Eugene Patterson, Asst. VP/Branch Manager of Exchange Bank in Larkfield was our MC for the evening. He introduced our newest member Sarah Preston, Realtor from Preston Property Shop. She is currently with Coldwell Banker in Petaluma and lives in the Mark West area. She may move her business to the Santa Rosa Coldwell Banker office.

The big winner of the evening was Brian Molsberry. He won the 50/50 for \$70 and Airport Express tickets.

Bill Robbins from Desmond Wines won a Gift basket full of goodies.

Katherine Phillips from Key Properties and Sarah Preston from Preston Property Shop won Bottles of wine.

No winner was present for the Pot of Gold so it went up to \$120 for the next social.

MAY SOCIAL HOSTED BY JAMES GORE, CANDIDATE FOR COUNTY SUPERVISOR, DISTRICT 4

Our May Social was in Windsor at the campaign headquarters for James Gore, Candidate for 4th District Supervisor.

It was a fun social for me to MC. Light rain was just starting to sprinkle on us and everyone was in an upbeat mood. Perhaps it was the energy of the campaign.

We started off welcoming James Gore, our host, to the Chamber as a new member. He gave an inspiring talk about who he was and what his basic philosophy is.

If I can summarize it, he is all about hard work, hearing the public and meeting their needs. In my words he seems fairly liberal on many issues but also deals in the fiscal reality of how to make things work and the need to provide the funds.

He introduced his campaign manager, Jenny Chamberlain. She talked about her love for, and history of, working with nonprofits. She understood that working with James she could make a difference.

Some winners that evening, were:

Doug Williams, Central Fire Authority of Sonoma County, won \$65.00 through the 50/50 drawing as well as a bottle of wine and a Gore T-shirt in the business card drawing.

Dian Nunes, T&D Associates, won some wine and a shopping bag.

Don and Barbara Wilson, our honorary members for life, won Airport Express tickets.

The Pot of Gold was \$120 and the winner was not present to claim it. Therefore it will be \$140 for the June social, which, by the way, will be on June 12, hosted by the Central Fire Authority of Sonoma County, at 45 Lark Center Drive, in Larkfield.

We closed the evening with an Official Ribbon Cutting for James Gore, Candidate for 4th District County Supervisor. See the picture at lower left.

MARK WEST MUSIC PROGRAM MUST FILL TWIN VOIDS LEFT BY BUDGET CUTS AND DEATH OF TEACHER SUE HUFFORD

For 15 years, Sue Hufford shined brightly as the music teacher for the Mark West Union School District, as she traveled from school to school in the district, spending one day at a time at each school. She taught third graders how to play the recorder, and for the older students, there was the violin, guitar and band instruments. For all teachers, there is always more work to be done outside the classroom, and that was especially true for Sue. She was very dedicated to her job, and to her students, and she worked tirelessly to make sure that her students learned to play, and play well. She was proud of her students and the success they achieved.

School district budget cuts affected the music program and other programs, so the funding for the music program was provided by the Mark West Education Foundation, a non-profit organization created to help fund the music, dance and arts programs. The Foundation is composed primarily of parents, but the school principals, and school superintendent Ron Calloway are also members, as well as some concerned teachers. The funding that the Foundation provides comes entirely from fundraising events organized by the Foundation. A very successful fundraiser on May 16 raised over \$9,000. If you would like to help with future fundraising activities, please contact the Ed Foundation at mwef.org or call the district office at 524-2970 or check out the Ed Foundation facebook page: Mark West Education Foundation

When Sue was tragically lost to us in a traffic accident in March, the immediate reaction was that we had not only lost a personal friend and co-worker, but the music program as well. Sue was such an important and integral part of the music program, one could not imagine how it could continue without her. Substitute and retired music teachers have helped to maintain music in the district through the end of the school year. A new teacher will be hired for the upcoming school year to continue the music legacy begun by Sue Hufford.
